Members of the Panel for Educational Policy,

We, the members of the Community Education Council for District 16, wish to register our support for the co-location of a new D75 School, P.S. K140, with P.S. 26 in Building K026 for the Fall of 2016.

District 16 has students requiring special services that currently have to travel outside the District to attend a D75 school and we believe this co-location will advance our goal of enabling more students who live in District 16 to attend District schools. Additionally, there is strong support for the co-location from the parents and staff at P.S. 26.

Best regards,

The Members of the Community Education Council for District 16
